

MAXIMUM PRICE LIST FOR OPIUM ALKALOIDS FOR SUPPLY TO UK CUSTOMERS

In 1989, Macfarlan Smith Limited, now part of Veranova, gave an undertaking to the Monopoly and Mergers Commission (now the Competition & Markets Authority) to “publish and make generally available a list of maximum prices for certain opium derivatives”.

Accordingly, set out below is a list of the maximum prices at which Macfarlan Smith Limited will sell the relevant opium alkaloids. This list remains in force until further notice and supersedes all previously issued lists.

Sale prices are subject to negotiation and the actual price paid by a customer may be less than the relevant price stated below depending on the circumstances of supply.
